Dear Mr. Chairman:

Mr. Dulles has asked me to reply to your letter, and questionnaire, of December 23, 1955, to the Central Intelligence Agency requesting information for the Intergovernmental Relations Subcommittee.

Our reply to the entire questionnaire is in the negative, that is, we have no programs or activities which involves intergovernmental relationships with state or local governmental bodies (questions 1,2,3,4,5, and 6 of questionnaire) and none of the recommendations of the Commission on Intergovernmental Relations is applicable to CIA (questions 7 and 8). In view of the foregoing we would have no comment or suggestion on intergovernmental relations (question 9).

Very truly yours,
